

## Time to say goodbye...

Dear friends, members, and supporters of the Arts Council for Wyoming County (ACWC),  
Reflecting on the 16 years I have had the privilege of serving this organization, my heart is filled with gratitude and nostalgia. So, it is bittersweet as I bid farewell. Looking back at this journey, I am reminded of the incredible accomplishments WE have achieved together. As we have remained mission-focused, we have been successful in our efforts to ensure the continued preservation and growth of Wyoming County's arts and cultural heritage. Each success we have attained is a testament to the unwavering dedication and passion of every individual or entity involved in or with this organization (the WE).

**So, I write this message not as a sole leader but as a member of a collective force that includes our dedicated staff, visionary board leaders, committed volunteers, generous donors, supportive foundations, local businesses, New York State and Wyoming County government officials, and funders. It is your belief in our mission, your willingness to lend a helping hand, and your collaborative spirit that has propelled us forward and enabled us to bring arts and culture to our community.**

I am humbled by the outpouring of support and the countless acts of kindness that I have witnessed during my tenure. While there are regrets and mistakes along the way, I ask for your forgiveness and understanding, knowing that I have always strived to serve wholeheartedly and with dignity.

As I prepare to leave the ACWC, I carry with me the hope that my efforts, however small, have made a positive impact on

## INTRODUCTION TO AFRO-CARIBBEAN PERCUSSION

### September 4 Workshop At The ACWC

An introductory community workshop exploring the Afro-Puerto Rican style of music called *Bomba* will be held at the ACWC, Wednesday, September 4, from 6:30 to 8:00 PM. Facilitated by Keaton and Miranda Rood, participants ages 10 and up are invited to participate. The workshop will teach this exciting style of dance-drum music, made up of infectious rhythms, songs, and dance from Puerto Rico. The introductory workshops will kick off a series of 90 minute workshops to take place Wednesdays in September. Each week, participants will learn one or two Bomba rhythms, songs to accompany each rhythm, and culturally and musically relevant information. As the workshop progresses, participants will learn to perform Bomba in a culturally authentic way, as it is performed throughout Puerto Rico and the Puerto Rican diaspora. Rhythms explored will include *Sicá*, *Yubá*, *Holandés*, *Cuembé* and *Seis Corrido*.

The Introduction to Afro-Caribbean Percussion Workshop will look very similar to a "drum circle." After completing the workshop, however, participants will understand the inner workings of a living tradition that survives and thrives in Puerto Rico and even in Western New York!

Come, bring a friend, or a child, or a sibling, and learn to Bombear in Wyoming County! Cost to participate in the September 4th kick-off session is limited to \$5.00 per person or \$10.00 maximum per family. There is a limited number of drums available, to participants are encouraged to bring their own Barril de Bomba, Conga or Djembe drum if they have one. For mor information about the workshop, e-mail [dancedrum.Kr@gmail.com](mailto:dancedrum.Kr@gmail.com).

## ACWC CONCERT SERIES

### The Brothers Blue

Friday, September 27th, 7 PM

\$20 or pay what you can at [artswyco.org/concerts](https://artswyco.org/concerts)

#### Old-Timey Blue Country String Grass Music!

**The Brothers Blue** is: Matthew Sperber on guitar and bass; Benny Haravitch on banjo, bass and guitar; and Charlie Coughlin on fiddle and mandolin -- a Finger Lakes born trio of songwriters that flirt with Bluegrass, Celtic, and swampy Cajun country sounds as they weave three-part harmonies over a tapestry of fiddle, banjo, and guitar virtuosity. Featured as emerging artists both by the Greyfox Bluegrass Festival and the Golden Link Folk Singing Society, their performance is well-rounded and polished like river rocks, always reflective of the hills and lakes they came from. Their tight huddle around the microphone and contemplative songs leave a lasting impression on the lucky listener. Together they spread the joy of fiddle tunes, the strength of community, and the living tradition of folk music.

**Please join us at the ACWC for the final concert of our series!**

"I have been working with fiber since I was a child. Starting with sewing, then knitting, crochet, and tatting. For a number of years my focus was on quilting, but a return to college in 1999 gave me the opportunity to learn to weave. Fast forward 20 plus years and I am still weaving, plus felting, spinning, dyeing, and beadwork. I enjoy making wearable items but also make items for the home. I am a member of the Weavers Guild of Rochester and The Genesee Valley Hand-spinners Guild and often participate in workshops to learn new skills. My work is available on Etsy at [FiberLingo.etsy.com](https://www.etsy.com/shop/FiberLingo) and several local fiber arts festivals each year."

~ Susan Swanson

Swanson will be using her grant funds to attend workshops to learn new techniques and natural dyeing processes.

### DOUGLAS & RYAN MCDANEL MEMORIAL SCHOLARSHIP

Adult artists are invited to submit proposals to be selected for the ACWC's 2025 Douglas & Ryan McDanel Memorial Scholarship. This scholarship was established to honor the memory of and art contributions of these two artists to Wyoming county and the greater GLOW region. \$500 will be awarded to one adult visual artist who has been creating continually for the past five years or more. The award will be determined by how well the artist's work and proposal reflect Doug's and Ryan's art process or philosophy.:

**Ryan said**, "I work with the steel and am alive during the entire creative development of a piece... I very rarely take the objects that I make seriously, but I do take my art making very seriously." **Doug** was very introspective with his work. He enjoyed creating work in solitude. Both his paintings and sculptures reflect a deep passion for esthetic beauty and simplicity that evokes deep thought and contemplation for the observer.

The scholarship fund may be used to create new work or pay for an artist residency or retreat. A simple photo journal report will be required to document the purpose for which the funds were used.

**TO APPLY:** Applicants must submit the following by email to **acwcyouth-grants@artswyco.org**:

- A brief bio or artist's statement including name, address, age and phone number.
- Proposal addressing the scope of the project / what you intend to create or study with the funds.
- 10 images of work created within the past two years; images should be at least 300 DPI (links to videos of performance, web images, etc. are permitted. They must be clearly listed in a separate document and accessible).

**FOR ALL APPLICANTS (YOUTH & ADULT PROGRAMS): All information except photos must be submitted in a PDF or Microsoft WORD document (no Google Docs, please).**
